

Join the PTA

Your Investment in the Future

Joining the PTA is one of the many ways to support the education of your child. The majority of your PTA dues support the state and national PTA organizations.

Your PTA membership allows you to have a voice in improving the educational environment of the children in North Carolina, giving you the opportunity to work with other parents, educators and community leaders statewide toward that goal. The organization also provides college scholarships, teacher scholarships, parent involvement grants and awards.

Please support the PTA and your child's education through joining. Membership dues are **\$5 per person**. Checks should be made payable to **COTSWOLD PTA** and returned to your child's teacher.

Invest in your children and take part in many fun and beneficial events!

Thank you,
